

IB Course Selection 2024 - 2025

Please follow these directions:

- **IB Diploma students take courses from six groups (subjects).**
 - Group One: Language and Literature Study
 - Group Two: Language Learning
 - Group Three: History/Humanities
 - Group Four: Science
 - Group Five: Math
 - Group Six: Arts or a second science/humanities

- **Course selection sheets are based on your Group Two (language learning) choice.**

- - First, determine if you plan to take:
 - French Immersion (Higher Level)
 - Core French (Standard Level)
 - Beginner Spanish (*ab initio*)
 - Language and Culture (Standard Level)

Use the course selection sheet with your Language Learning choice on the top.

- Please choose **one course from each Group**. All students take TOK.

- Please make sure you have **3HL and 3SL** possibilities in your selection.

- SL subjects marked with a * are completed in Grade 11. When possible, students are encouraged to select **two** of these courses. These courses grant Grade 12 credit at the end of Grade 11.

- There are **two IB Math classes**. IB Math Applications and Interpretations is for students who plan to pursue health or human sciences/arts. IB Math Analysis and Approaches is for students who plan to pursue engineering or applied math. Both courses meet university application requirements.

- Students who successfully meet the requirements for an IB Diploma also meet Nova Scotia Graduation Requirements.
